**Re: United States v. Alfred White,  
96 Cr. 1123 (SHS)**

Dear Judge Stein:

I write regarding the Court's Order and Amended Judgment dated December 8, 2022 (dkt. no. 130) reducing Alfred White's life sentence to time served followed by five years' supervised release. The defense respectfully requests the Court's endorsement of this letter clarifying that the restitution previously imposed in connection with Mr. White's original judgment no longer applies, given the passage of time, the terms of the original restitution order, and the fact that Mr. White's offense conduct predicated Congress's passage of the Mandatory Victim Restitution Act in 1996 (18 U.S.C. § 3663A). The Government does not object to this application.

I thank the Court for its consideration of this motion. I am also pleased to inform the Court that, according to Mr. White's probation officer, he is doing "extremely well" on supervised release, having obtained full-time employment and avoided any contact with law enforcement.

Respectfully Submitted,

  
Andrew J. Dalack, Esq.  
Assistant Federal Defender

The request as set forth above is granted.
